 អេលេត្រា មេឡានី ជាស្ថាបត្យករ និងប្រធានផ្នែកឌីហ្សាញ

What does it mean to engage community in space design?

- Focus on the people that will use the space
- Cultivate a sense of ownership and inclusivity
- Community members are active participants, not passive users

WHERE TO START

SUMMARY OF BRIEF

CLIENT: Cambodian Living Arts

COMMUNITY: Artists from various fields including dance, music, theater

PURPOSE OF SPACE: A gathering space for community meetings, workshops and live performances

**Community engagement plan
required for ALL applications:**

Community engagement plan required for ALL applications:
